

Press Release

For immediate release (Longmont, Colorado 05/19/08): Longmont Colorado Precision Manufacturer Hires Sales & Marketing Manager to Develop Opportunities in Manufacturing.

Sangat Precision Machining & Grinding is pleased to announce the hiring of Phil Smith for the position of Sales & Marketing Manager. Phil is an accomplished marketer and sales person, having participated in the establishment and growth of five startup companies during his career. With experience in precision manufacturing and Web-based software, Phil brings a unique skill set and background that is perfectly suited for the needs of Sangat Precision. Phil has completed a federally certified 4-year apprenticeship as a scientific instrument maker through NIST and the Joint Institute for Laboratory Astrophysics at the University of Colorado at Boulder where he had the opportunity to work with the world's leading scientists in the area of atomic and molecular physics (including several Nobel Prize winning scientists). Phil received his bachelor's degree in Business Administration Suma Cum Laude from Regis University.

Sangat Precision Machining & Grinding is a Longmont Colorado-based precision manufacturing company. Sangat Precision - an ISO 9000:2001 certified facility, provides precision machining and manufacturing services for aerospace, defense, science, medicine, and small-arms manufacturers. Sangat Precision has particular expertise in machining high tolerance parts from exotic and/or difficult to machine materials and in working with tight deadlines. Sangat Precision Machining & Grinding - We make you look good, because we do it right the first time. For more information call 1.866-537-1139 or visit the Sangat Precision Website at <http://www.sangatprecision.com>
