

Press Release

For immediate release (Longmont, Colorado July 23, 2007): Sangat Precision Machining & Grinding hires new Production Manager.

Sangat Precision Machining & Grinding is pleased to announce that Eric Potter has joined the company as Production Manager. Eric comes to Sangat with 17 years experience as a machinist. Eric participated in the 2-year work/study program at Woodward Academy and went on to work for them for 5 years. He then attended and graduated with honors with an AAS degree in Computer-Aided Manufacturing from Aims Community College. During the last 10 years, he worked as a mold maker and as a lead Aerospace Programmer & Machinist for two prominent Colorado Manufacturing companies.

As Production Manager Eric will be working as the lead Estimator & Programmer as well as running the Production Department. Please feel free to contact Eric either via phone at 303-702-1544 or email at epotter@sangatprecision.com.

Sangat Precision Machining & Grinding is a Longmont Colorado-based precision manufacturing company. Sangat Precision, an ISO 9001:2000 certified facility, provides precision machining and manufacturing services for Aerospace, Defense, Science, Medicine, and Small-arms manufacturers. Sangat Precision has particular expertise in machining high tolerance parts from exotic and/or difficult to machine materials and in meeting tight deadlines. Sangat Precision Machining & Grinding - We make you look good, because we do it right the first time. For more information call 1.866-537-1139 or visit the Sangat Precision Website at <http://www.sangatprecision.com>.
