

Press Release

For immediate release (Longmont, Colorado 08/07/2006): Longmont Colorado-Based Precision Manufacturing Company Hires Operational Expert to Guide the Company to Success

Sangat Precision Machining & Grinding is pleased to announce the hiring of Michelle Jordan. Ms. Jordan comes to Sangat Precision with a wealth of experience in operations development and management. Michelle has held leadership positions in organizations ranging from Web-based B2B, to Commercial Real Estate, to Publishing and Medical. At each stop, she has proven herself to be an expert at building the foundations of companies and managing the operations such that the company functions with maximum efficiency and success. Michelle has oversight of all areas of operation at Sangat Precision and formulates the policies and overall direction as well as the daily business strategies in order to provide the President with the company he has envisioned.

Sangat Precision Machining & Grinding is a Longmont Colorado-based precision manufacturing company. Sangat Precision, an ISO 9001:2000 certified facility, provides precision machining and manufacturing services for Aerospace, Defense, Science, Medicine, and Small-arms manufacturers. Sangat Precision has particular expertise in machining high tolerance parts from exotic and/or difficult to machine materials and in meeting tight deadlines. Sangat Precision Machining & Grinding - We make you look good, because we do it right the first time. For more information call 1.866-537-1139 or visit the Sangat Precision Website at <http://www.sangatprecision.com>.
